2018 WORLD DAY OF PRAYER ~ ALL GOD'S CREATION IS VERY GOOD

FRIDAY, MARCH 2, 10 AM

ST MARK A.M.E. CHURCH 1616 West Atkinson Ave; Milwaukee 414.562.8030

Around the world people will gather with joy, hope and peace in their hearts and minds. The joy is that all of God's creation is good and that he has given us all that we need to sustain it. The hope is that we will be good stewards and heed His call.

This year's program was written by the women of Suriname, located in the northeastern part of South America - part of the Guianas. Their climate change concern is driven by the fact that they are affected by the Atlantic Ocean, Amazon River, and most of its territory is considered rain forest.

This population is multi-ethnic and multi-religious - about 48% Christian. Ethnic groups include: Hindustani, Creole, Africans, Dutch and Amerindians.

Come and share in the world prayer for peace with justice, stemming from our relationship with God and man.
